# Drill Vintage Appliqué

This process is straight out of retail and gets better the more its washed and worn. Give your client the that something different that they have been looking for.

### ART REQUIREMENTS

- A vector art file from Illustrator or CorelDraw (.eps, .ai, .cdr) gives the best results and is much easier for us to work with.

- A hi-resolution bitmap (300 dpi+).

### PROS

- Great for sweats, hoodies, jackets, tees.

- We can sample for client approval.

- Quality texture feel to the logo.

- Easy to repeat.

- Good range of colours available

### CONS

- The design needs to be thick – if its too intricate we cannot appliqué It.

- PMS colour matches are not possible
